

GRAFFITI WIPES

Easier Safer Faster Cleaner

Looking for a safer way to remove GRAFFITI!!!

Features & Benefits

- Removes ink, paint (including enamel), glue and adhesives
- Cleaning solution is non-toxic, non-flammable, and non-hazardous
- Odorless - no harmful or nauseous fumes
- Abrasive yet non-scratching fabric aids in cleaning

Easier: Fast acting non toxic formula cuts through layers effortlessly

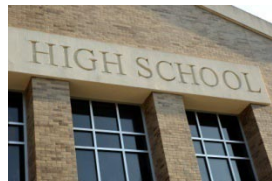

Safer: Cleaning solution is non toxic, non flammable, and non hazardous. Odourless- no harmful or nauseous fumes means it can be used in confined areas where graffiti is found. Does not contain amyl acetate or methylene chloride. Environmentally safe and biodegradable.

Faster: Abrasive non scratching fabric aids in cleaning. Portable safer tubs allow wipes to be used inside and outdoors.

Cleaner: Less hazardous for users as well as surfaces. More solution per wipe allows for greater coverage.
